MEDIATION EXPERIENCE

• **Mediation Style:** I adopt a *purposeful* approach to mediation where I adapt the process and methods I use based on the goals of the parties and their attitudes towards conflict resolution. As a specialist in cross-cultural conflict, I am aware that there are times when we need to give parties more space to control the process and outcome. However, there are also many occasions when parties wish for me to draw on my experience and to share insights to help them breakthrough negotiation impasses.

• **Mediation Institutions Enlisted as a Mediator:**

Singapore International Mediation Centre, Singapore Mediation Centre, Japan International Mediation Centre in Kyoto, International Chamber of Commerce, UN Green Climate Fund Independent Dispute Resolution Panel

• **Others (related experience with international mediation):**

Consulted for governments of Uzbekistan and Sri Lanka to advise on the establishment of mediation centres and a framework for training and accrediting mediators.

Conducted a mediator accreditation programme for practitioners in Delhi with Maadhyam International.

Presented a paper on “Development of a Healthy Mediation Eco-system” at a mediation conference by the Zhejiang City University.

Presented a paper on “Designing a Mediation Framework for Medical and Healthcare Disputes” at a medico-legal conference in Kuala Lumpur.
