MEDIATION EXPERIENCE

- **Mediation Style: Facilitative**

I try to listen to the parties carefully and find out what their true (and sometimes hidden) intent and needs are. Thereafter, I nudge the parties to consider potential options that serve their best interests and let the parties come up with their own solutions to resolve the dispute. In doing so, I refrain from putting forward the mediator's views or opinions unless it is quite certain that such views or opinions will be helpful in assisting the parties to think outside the box.

- **Mediation Institutions Enlisted as a Mediator:**

Singapore International Mediation Centre

- **Others (related experience with international mediation):**

Counsel to a major Korean pharmaceutical company in a SIMC mediation against a global pharmaceutical manufacturer surrounding registration and marketing of pharmaceutical products in China.

Counsel to a U.S. solar panel manufacturer in a SIMC mediation against a Korean subcontractor involving a termination of the solar module sales agreement and return of advance payment.
